Sir,

SUBJECT :- Occupation of land by Military authorities at Iblur Camp.

I have the honour to bring to your notice that both at Iblur and Agaram villages military authorities have occupied 110 acres 28 guntas of private holdings and 56 acres 27 guntas of Government gomal land. Damages have also been caused to private properties by sepoys or followers of the camp. Owners of the properties have preferred complaints to this office praying for compensation. These complaints have been enquired into individually after inspecting the spots in almost all the cases. Damages to the properties are assessed at the prevailing rates.

110-28
56-27
167-55

The occupied area is classified into the following heads for the purposes of fixing up compensation :-

(a) Lands under actual cultivation,
(b) Hiduvali Bangers,
(c) Casurina and other groves, and
(d) Government Gomal lands.

(a) An annual compensation of Rs.25/- per acre is fixed on occupied agricultural lands.

(b) A compensation equal to double the actual Revenue assessment per acre is fixed per annum on this class of land.

(c) A ground rent of Rs. 5/- per acre per annum is fixed up subject to the condition that the military authorities should, in addition, pay for damages that may be caused to casurina or other plants during the course of occupation which will be periodically verified.

(d) No compensation is claimed for Government waste lands.

It is desirable that in all cases falling under Head(c), the owners should be allowed to enter upon their land for removing the dried up twigs or any other usufruct periodically. The entry may be controlled by means of permits to be issued by th Civil Officer to the owners.

A statement showing the details of the land under occupation, the damages caused to properties and the amount of compensation to be paid in each case is enclosed for kind perusal and further action. The total amount of compensation to be paid for the year 1942-43 amounts to Rs. 1,955-9-0, out of which Rs.1,880-9-0 will be recurring and Rs.75-0-0 will be nonrecurring charges. Connected petitions and complaints are filed in this office for references.
